# Locating an MSDS on myCardinalmsdspd.com

Searches may be performed on any of the following in the applicable search fields.

1. Cardinal Material Number
2. Material Description
3. NDC #
4. Vendor Name
5. Vendor Material Number

Material Number:	<input type="text"/>	NDC #:	<input type="text"/>
Material Description:	<input type="text"/>	Vendor Name:	<input type="text"/>
		Vendor Material #:	<input type="text"/>

# Partial search entries are acceptable

---

1. Example #1 – If you enter “123” in the Material Number box the search will retrieve all Material Numbers containing this criteria (e.g., 1501238)
2. Example #2 – If you enter “123” in the Material Number box and “Sod” as part of the Material Description (a whole word or part of a word in this case), the search will retrieve all items that meet this multi-criteria (e.g., 2F7123, Sodium CL IRRIG .9 PRCT 500ML).

\*You can do this with any combination of search fields to narrow the search

# Opening the MSDS

When you find the product that you are looking for, click on the [MSDS](#) link to the right of the product. This will open a new window containing the MSDS and from this window you will be able to print or save the MSDS.
